The Region 1 Autism Education Consortium in conjunction with Hanover County Public Schools is pleased to offer the following staff development opportunity:

Model Classroom Training: An intensive look at how to run an effective classroom.

Presented by:

Carrie Radigan
Heather Weston
Allison Adams
Gretchen Williams
Meg Lye

With special teaching delivered by:
Cynthia McCreary
About the workshop:

This workshop will be delivered over a three day period. Each day will focus on a different topic that includes research based strategies, hands on activities and live teaching demonstration.

Day 1: Focus is on what to do before the students show up on day one and how to structure your classroom according to your students’ needs.

Day 2: Focus is on communication and behavior. Particular attention will be on different communication systems. When and where to use these systems as well as how to work with your speech therapist. The behavior section will cover classroom management, reinforcement systems and functional behavior assessment.

Day 3: Focus is on types and schedules of reinforcement, prompting, extinction, verbal behavior, data collection, and assessment.

Visual examples and hands on activities will be used throughout the training.
