House Bill 325 requires that all Paraprofessionals working with students will autism receive training by September 1, 2014. This training will give you an opportunity to see first hand what your Paraprofessionals are learning.

**Highlights**

- V-DOE Paraprofessionals training competencies
- First hand look at take home learning modules
- How to manage a classroom and staff

The Region 1 Autism Education Consortium is pleased to offer this training in conjunction with Kira Austin of VCU-T/TAC.
