Adam Dreyfus of VCU/ACE will be conducting this three part series on the VB-MAPP assessment tool.

This is a free workshop for Region 1 School Districts. Lunch will be on your own.

**Dates:** December 5, 2012, February 27, 2013, March 27, 2013  
**Time:** 9:00-3:30 pm  
**Place:** Day 1 will be at the Colonial Heights Technical Center, 3451 Conduit Road, Colonial Heights, Va.  
Location for Days 2 & 3 TBD

**Focus:**  
**Day 1:** Participants will unpack the different elements of the VB-MAPP including the Milestones, Barriers and Transitions assessments. Participants will learn how to assess, score and how to use the tool to design developmentally appropriate programming.  
**Day 2:** Participants will conduct hands-on assessment and scoring of the VB-MAPP. They will also learn and practice how to run programming in 1:1 and group situations.  
**Day 3:** Focus will allow participants to further explore use of the VB-MAPP results when designing educational programs to use in the classrooms. Participants will learn how to track student progress to help with these programming decisions.

**Contact:** To register, please contact Carrie Radigan by November 30, 2012 via voicemail at (804) 365-8127 or via email (preferred) at radiganct@vcu.edu
